I ABSOLUTELY LOVE IT!!!!  
This is exactly what i have been wanting forever! I will go over it closely and get right back to you, but honestly I do not think there will be any changes at all.

Wow...Wow...Wow...  
I have to say, we have been in business since 1975 (my parents started this restaurant) and these are the nicest, most professional looking menus we have had yet. I am very impressed and very happy w/ these!!!
